# Foaming Bath Whip Frosting

## Recipe

1 Cup Foaming Bath Whip

1 Cup Clear Melt and Pour

1 Tablespoon Liquid Glycerin

3 Tablespoons Meringue Powder

.034 oz fragrance oil

You want to make sure that you make your Bath Fizzies or Soaps a head of time so when the frosting is ready you're all set to get started.

Add the Foaming Bath Whip, Meringue Powder, Liquid Glycerin and fragrance oil in your mixing bowl. Hand stir with spatula before turning on the mixer so your sure to mix in the meringue. Once blended get your electric mixer and set on medium and mix for about a minute.

Melt one 1 cup of clear melt and pour soap base as directed. Once melted and temperature is at 150 degrees, slowly add to the mixing bowl with other ingredients and mix for about 2 minutes.

You're looking for a stiff consistency, it should form peaks.

Spoon into bakery bag using any decorative tip desired.

Work Quickly, you'll have approximately 5 minutes to work with the frosting before it starts setting up.

Add sprinkles/glitter and let set for 48 hours.
